Graduate School of Sustainability Science

FY2021 April Admission of DDS, Graduate School of Sustainability Science  
Partial Change in the Method of Entrance Examination

In order to prevent the spread of a new type of coronavirus infection and reduce the risk, the Graduate School of Sustainability Science will make the following changes to the admission examination procedures as stated in published application guidelines.

1. Date of Examination

July 4th and 5th, 2020

2. Entrance Examination Division

Fy2021 April Admission: General Entrance(1st), In-service Trainees Special Admission

3. Changed Part

○Method of Exam

The oral examination will be changed to [a web-based oral examination using Google Meet](#). Examiner will see your expertise and aptitude through a 10-minute presentation on your graduation thesis research or post-entrance research plan, a short essay, and a question and answer session based on your research proposal (for applicants in special courses only).

The presentation materials should be displayed on the Google Meet screen.

4. Notes

You are responsible for your own Internet connection and computer equipment.

You can use a computer or other equipment that has a built-in camera and microphone, or other equipment that has a camera and microphone. If there are no built-in microphones, please bring your own.

Please check how to use Google Meet by yourself and check the operation beforehand. We will not respond to any inquiries about how to use Google Meet.

Please be ready to present your application number card on the day of the exam.

If you are not able to connect to Google Meet on the day of the exam, please contact your primary supervisor.
